GROUP EXPERIENCES - LOCATION

## LOCATION

Through its captivating blend of wine country charm, natural beauty and impeccable flavors, Healdsburg consistently ranks as one of America's favorite small towns. Explore the rolling vineyards of Dry Creek Valley on a scenic E-bike tour or admire the majestic views of heritage oaks on a guided hike along our winding trail. Brimming with natural beauty and unique outdoor experiences, discover the breathtaking landscape of Sonoma County through endless on- and off-property activities.

## MONTAGE HEALDSBURG SUSTAINABILITY

We strive to honor and preserve the unique gifts of the inherent magic and beauty of Healdsburg, ensuring it can be celebrated for generations to come. Montage Healdsburg prioritizes making environmentally sustainable decisions as exemplified by being awarded the Environmental Media Association (EMA) Green Seal for Hospitality and Leadership in Energy and Environmental Design (LEED) Silver Certified. We are passionate about sustainability and preservation, honoring not only natural environments but also the neighborhoods we are privileged to join. With this understanding, we have a multitude of systems in place to reduce the overall energy usage in and around the resort.

Montage Healdsburg looks forward to growing the resort's sustainability program to further protect our natural environment and surrounding neighborhood in the coming years.

## HEARTS OF MONTAGE

Montage Healdsburg is committed to actively serving the very special community we call home. Born in 2003, Hearts of Montage is a program dedicated to volunteering time, expertise and financial assistance to organizations that help empower people and causes in need.

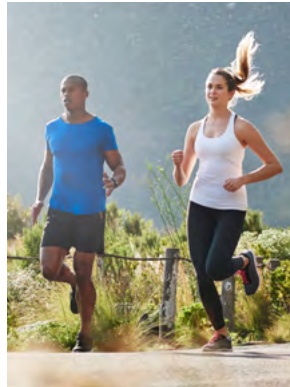

Since its inception, Hearts of Montage has expanded into each destination where Montage Hotels & Resorts have a presence. The programs continue to thrive and grow, enriching local communities and the people who call them home, all led by our associates who are committed to this cause.
